*Would You Accept This Proposition? .... Let's Make A Deal!*

Everyone will pick one of these (3) doors (Pathway of Life.) **CHOOSE WISELY !!!**

*What if...* You were exposed to what's behind all (3) doors in advance? N O W ... You would know 100% of what each door (pathway) would deliver to you! Would you pick the correct door for the remainder of your life? Hint... Each door is like a LEVEL ACHIEVED! **You may be inside one of these door entrance levels presently... but you can re-invent & leverage your future life... if you choose to, starting - t o d a y!**

**N O W...** it's your turn, whether your 17, 37, 67 It doesn't matter **W H E N** It only matters **which door** you

Door # 1  
First Level  
The Journey

**Is chosen about 95% (The Have Nots)** of the time by humankind worldwide! **W H Y ...?** Because, it is considered the comfort or normal most well-worn & traveled pathway since everyone has done so for thousands of years, so you will go with the flow & life will be basic & never touch or enjoy the lifestyles of the next two pathways (doors.) At this level you will trade most of your time for money & the pursuit of survival, averaging 50-60 hours per week.

Door # 2  
Second Level  
The Safe

**Is chosen about 4% (The Haves)** of the time by those who won't settle for being "average" and contented to just get by. Because they seek never to experience living a life of mediocracy. These few control their own future by building new pathways & systems that constantly deliver positive results (with employment for & of others.) Programs are installed to use (OPE) Other People's Efforts as the labor force then manage those divisions & overall operations. At this level you will trade less of your time & are compensated more money & the pursuit of financial stability by helping others to help the economies grow. Therefore, you're only averaging 25-40 hours per week.

Door # 3  
Final Level  
The Arrival

**Is chosen by the TOP 1% (The Global Market Makers)** by using (OPM/OPT - other people's money, other people's time) only 100% Accessible Through Door # 3.
