People purchase everything over their lifetimes. Now you can convert many, if not most, of all those physical assets and financial instruments into very serious MONTHLY CASH.... Without having to liquidate any of them!

When you join our [Six Figure Club](http://SixFigureClub.com)... you will begin earning the same "Passive Income" that the ultra-wealthy do! We have developed a financial portal where the every-man & woman can become the next generation of the **World's TOP 1% Income Earners**. How do you accomplish this you ask? Say, you can convert a non-cash generating physical asset or poorly performing financial investment into a steady very serious monthly or quarterly income. This is what we do... We have mastered the art of using and generating "**passive**" income with **(OPM) Other People's Money!**

Too Qualify... everyone must be able to simply **prove** they have something of value that can be "**MONETIZED.**" We can leverage that current value by securing financial institutions who need only to verify the assets value or worth is suitable for transforming its intrinsic collateral able value in to cash or its equivalent.

If you could lend or use the value of something (like the unused internal "**DEAD EQUITY**") sitting in one's home or other real estate properties & we were able to secure a sellable contract between two parties multiple times throughout the year or (*holding period*)... then that non-producing R.E. Property could generate a steady monthly secured R.O.I. during that period of time for the "**USE OF FUNDS**" or in this case the value of that R. E.

Depending on the total value of your holdings... i. e. all those things you have been accumulating, any person or business could generate a projected minimum of up to **10% even up to 50% +/- in monthly earnings = a 100% up to 500%** or more returns for the time you allowed others (Normally 1 year & 1 day holding period **Our Funders (Providers) may secure your value/asset/investment/retirement funds/ literally anything in any amount - anywhere in the world) within this (open)  may just join our [Inner Circle of WEALTH](#) Private Members..... **"QUALIFY" YOU & YOURS EVEN YOUR BUSINESS TO BECOME OUR NEXT BENEFICIARY!***

It is a simple decision to make.... Keep what you have where you have it.... Accept the **FACT** it will never generate liquid M O N T H L Y passive income like what we offer.... or let our over four decades of successes and these remarkable safe & secured up to 10% even up to 50%+/- monthly distributions be wired into your checking account!!! You could even use your own (in most cases pitiful) poorly performing investments, qualified retirement accounts & or the money you have saved that your local banker is holding for you. Here, all you do is go to our website, just click on our logo

 and we can design and implement your own... **(I WANT TO RETIRE NOW or Simply Improve where you are financially ACCOUNT TODAY!)**
