My requirements for employment with you and or your firm is as follows:

This private members only portfolio actually earns up to 10 % +/- or more M O N T H L Y !!!

My employment requirements for any employer is a minimum 1-year contract as follows:

- I require no health, dental, eye, life, disability, or any form of insurance coverage.
- I will work 24 hours per day - 365 days per my 1-year contract and require no overtime.
- I don't need any retirement or pension, or additional tax-sheltered future benefits plans.
- I will work every holiday, never take sick leave, have child-care issues, or miss any days.
- I don't need paid parking or for you to cover travel related expenses I may have to do.

This is what I will do for you... when you hire my unique services. (Over 45 years of Successes)

▪ I will need you to deposit my full 1-year salary into a secured bank or holding company or attorneys escrow acct. **(Minimum contract is \$25k up to \$10 million or more)** where it will be leveraged as a (deposit,) set up in your own passive income producing account, & or used as i.e., collateral for the purposes of securing (OPM) Other People's Money that will be leveraged & compounded DAILY that will create DAILY Positive Cash-Flow Passive Income Profits of a minimum projected up to 10% or more MONTHLY. which will become your personal and or business Very Serious **"INCOME RIVERS!"**

- **I will start generating earnings for you Monthly** or based on the acct. type chosen. * You will be responsible for any taxes due (unless we secure tax-sheltered vehicles – ask me how) for you personally or for your business/corporate benefits.
- You may receive a tax-deduction for any costs you may incur hiring my 24-hour services.
- What if or when I succeed, you will have no labor, no worry and little or no risk of losing your funds.
- You decide what amount my employment contract should be... As I will compensate you based on what you would like to receive every pay day from my services rendered.

▪ Remember, you will be earning the projected minimum ROI up to 10% or more back, compared to what you would normally have to pay others who work for you, with no return of the money you paid them.... **So, my paycheck (you would have paid me) now becomes your paycheck, I pay you for hiring my services!** ▪ When you pay i. e. (deposit this acct.) **\$25k or more,** I expect to return a minimum of the above or more of that \$ amount back to you **PLUS... return your original deposited funds (my salary) as well! Your Total cost to hire me will be \$-0- Yet ...** Your ROI could grow your deposit VERY QUICKLY!

▪ **So... Would you like to hire me? Please submit your request here: ↔ [Contact Us](#)**

Please note here: Your deposited funds are secured (insured) against any loss in most cases!

- If I fail to deliver on our contract performance earnings as proposed, **you can fire me** and at the end of our contract holding period, (normally 1 year & 1 day) **100% of the contract funds you agreed to pay me will be returned** (less any income, i.e. PROFITS) I have already paid you!
- This means you will have **zero -0- risk** in hiring my services for one full year & nothing to lose!
- You may (based on availability) offer my services to others, including your employees to supplement their own personal & retirement income needs, cover their monthly bills, eliminate total debt, and create serious life changing wealth!
- Example: Say you are a conservative employer and would have to pay someone of equal education and performance success, a minimum of \$100,000. per year. In this scenario, your funds would be deposited, & work would begin once the funds have been verified & each month (generally w/i 30-90 days from that point forward, you should be earning a projected **minimum of up to 10% MONTHLY**... (X-10 mo. earning period) or \$10,000. X 10 months = **\$100,000. Annual R.O.I. (PROFITS)** or if it was a \$1,000,000 deposit, you could earn up to \$100,000. X 10 months = **\$1,000,000. Annual R.O.I. (PROFITS)** back into your account as ***Passive Income Min. Return** as our beneficiary, you have earned from our efforts. **Technically, \$100k/12 MONTHS = *\$8,333.00 PER MONTH or on the higher ROI amount \$1 M /12 months generates a MONTHLY - ROI of \$83,333.33 from passive income when you hire my services!**

*** For a short introductory incentive period, for first time participants... You may also receive additional funds from our over 100+ Lenders to compound your WEALTH & MONTHLY INCOME!**

*You would be earning a projected minimum up to 10% (X-10 mo. earning period) or \$10,000. X 10 months = **\$100,000. Annual R.O.I. (PROFITS)** (back into your account as ***Passive Income projected minimum return** as our beneficiary, you have earned from my efforts.

(See the green & gold statements) below to see how you can join the "Inner Circle of Wealth" of the World's Top 1% Income Earners!!!

- Please Note: If & when the work I had achieved for you was done correctly, you would want to review my contract & do your own due diligence to make sure you wanted to **"Hire"** my employment services **contract for the absolutely maximum amount you could**... as we both win by using OPM to generate these remarkable ROI's.
