

White Paper - Case Study # 155 - **“Let’s Evaluate” – Or... A Better Way of Thinking = Very Serious Income Rivers & Sustainable Wealth!** www.SixFigureClub.com

Now, for those of you who are seeking the “Pathway to Wealth” and total financial independence, the following is absolutely your way out of debt and your way into six even seven figure annual incomes if you take our “Pathway.”

As the founder of this enterprise plus (8 others,) it is abundantly clear that employment stability is no longer a reality, but a myth! For those who join our “Quest” to peel back the ugly truth about the very cornerstone financial institutions are simply paying you less the 10% of what they are earning. We are led to believe these so-called centers for economic growth based industries would protect and grow our retirement funds and all other investment vehicles that were promised to be the very best available on the market today. Well the **TRUTH BE TOLD... nearly 100% of those promises were outright lies** and it all will be proven to you, so you can further the truth by proving it to every human being on the planet earth. **Here is just one financial transaction of thousands WE EXPOSE DAILY!**

Example: Your banker will pay you less than 1% annually as a thank you for storing your money in their vaults for safe keeping. All the while they are compounding those same dollars daily and for the **“USE OF FUNDS” with your money**, they will earn 20%, 30%, even up to 50% and more over the same time frame. **We at the Six Figure Club can earn the same even more than they do and return the bulk of those profits back to you, our Private Members!** See the following (2) Passive Profit Payout Charts @ [Your Earnings](#) link.

We figured out that when you eliminate 95% of all the irrelevant excess costs and fees and layers of bureaucracy tied to the pricing and profitability of any (PPSP) Program, Product, Service and Project, then you can distribute the original very high margins (profits) to only 3 groups: our investors, suppliers and our firm. This keeps profits high and expenses low... then all three of us win!

Personally, I have invested multi-millions of dollars and other currencies from around the globe into all of these same so-called investment vehicles. After four decades of being a **“Follower”** and seeing my personal as well as all my client’s investments fail miserably... I finally figured out the only people who became truly wealthy never followed anyone... They **“Lead.”**

*Now, you may ask if I failed alongside of all our clients, how did I stay afloat....***GREAT QUESTION! The truth is,** I with the millions of other bankers, investment advisors, stock brokers, financial planners, insurance agents, real estate agents, the U.S. Government with all its gov. backed treasury bills, notes, bonds, etc. and we who worked within all the other financial services industries made our money and earned exceptional incomes from the commissions and excess fees and needless charges levied on the consumers..... **You Our Customers!**

As the seeker of the truth and a student of always trying to **do the right thing** for my clients first then for myself last, **I came to a very realization that the allusions that have been perpetuated upon each of us,** were designed into our DNA thru our educational systems from grade school throughout the highest levels of academia those receiving Master’s Degrees and PHD’s. Think about this single example, did you ever get any instruction on **“How To”** simply balance a check book or the correct use of credit cards at any level of education? Neither did I **THE TRUTH HURTS!**

As a **FINANCIAL MENTOR**, I purposely asked tens of thousands of my customers that question and **NO ONE EVER SAID THEY EVER RECEIVED THIS BASIC INFORMATION!** The TOP 5%er’s who control the cash-flow and profits worldwide however learned early on from that **“Inner Circle of Thinkers”** whose mindset was to control the flow of everything financial.

Furthermore, I asked every single person to tell me if they can point to and even had a personal and business mentor.... (not parents) other-than a few teachers, a couple of higher ranked military personnel and a few in the ministry, less than 3%-5% of all these folks ever had the benefit of a true and real **MENTOR** over their entire lifespans!

This being uncovered, I have developed a unique custom-built ***Financial Portal to Unlimited Wealth and Prosperity*** that allows you to live the lifestyles that the ultra-rich enjoy 24/7 forever! Here is where the “Have Nots” the BOTTOM 95%er’s who have never experienced, let alone dreamed of touching WEALTH, are introduced to the correct “**Pathway**” to **ARRIVAL!** Everyone who is not financial stable, are the ones who always say “You need to slow down and smell the flowers, enjoy life’s journey along the way” Well our belief is the opposite, in-fact you should screw the journey and head straight to “**ARRIVAL**”.... then you can enjoy all your journeys for the remainder of your lives without the struggle!

When, **You Can Be A Value Creator** and create a legacy that can reach far and wide with influence that you will gain from “**Owning the Power to Change The Future.**” Becoming what you desire is a series of predetermined steps that will lead you to our “**Pathway To Wealth & Prosperity.**” We have laid before you the **Jigsaw like puzzle pieces** that must be snapped together in a specific order to achieve financial security.
